Kilvington Girls on the Run

Kilvington Girls' Grammar's intermediate indoor cricket team is having a 'blinder' of a season, currently undefeated and on top of the ladder in their zone after the third round of the Girls' Sport Victoria (GSV) competition, being held at Oakleigh Indoor Sports Centre.

The Kilvington girls won their match against Shelford2 on Wednesday afternoon with a convincing 178 to 97.

Earlier in the season the girls made a season record 263 against Toorak1.

Kilvington's intermediate indoor cricket team is keen to make the finals and go one better than last year, having finished last year's season in 2nd place but eliminated in the semi finals in 2004.

Kilvington's coach Martine Trevor said the girls have been impressive so far this season.

"The girls' confidence and self esteem around the school is at an all time high," said Ms Trevor.

"It's really pleasing to see them so passionate about doing their best. Their team spirit and dedication is rewarding them with these results".

Kilvington Girls' Grammar senior and junior indoor cricket teams are also traveling well, with the junior team also undefeated and on top of the ladder and the senior girls in second place.

Girls Sport Victoria (GSV) promotes girls sport and coordinates interschool sport programs for its 24 member schools.
