From the GSV President

Vision To be the leading provider of sport to Independent Girls Schools.

Mission To provide girls with access and opportunity to participate, connect and achieve in a range of sports.

- Guiding Principles**
- The promotion of girls sport
 - Enhanced opportunities for participation in elite, competitive and recreational sport and physical activity
 - Accessibility to a diverse range of programs
 - The fostering of individual talents, team spirit and commitment
 - The pursuit of excellence
 - A commitment to the highest standard of ethical behaviour
 - A commitment to the promotion of health and well-being of all girls.

The GSV community is recognised for its provision of a rich and diverse sporting competition and skills programs for girls. Once again this year we have seen so many of our girls involve themselves in the wide range of opportunities presented by GSV. Weekly sport, Skills Programs, Carnivals, Tournaments, Year 7 Sports Expo and the Interstate Challenge have all enabled girls to participate at an appropriate level while providing both competitive and social experiences. New passions and talents have been discovered; confidence, endeavour, persistence and commitment highlighted; connections made, and personal and team goals achieved. Most importantly, we have seen our girls actively engaged in physical activity and enjoying the collegiality that exists across our schools. This strong sense of connection is central to all that we do.

Our rich program of events would not be possible without the generosity of spirit and support given by our Directors of Sport, PE Teachers, and sports coaches. We also acknowledge the outstanding leadership of the GSV staff and their commitment to providing a diverse range of opportunities for our girls. We recognise the continued support our girls and schools receive from parents and family. Our sincere thanks to each of you for your part in ensuring the continued success of GSV.

I hope you enjoy this publication as a memento of the exciting moments and success stories we have shared in 2017. We look forward to another fulfilling year for our girls in 2018.

Ms Linda Douglas - President, Girls Sport Victoria

Sports Leaders Breakfast

Korowa Anglican Girls' School hosted the 15th annual Sport Leaders' Breakfast on 16 February. Over 120 Year 12 Student Sport Leaders from GSV member schools had the privilege of sharing an early morning workshop with Natalie Titcume, 3-time Olympic Medallist, Australian Softball and High Performance Mentor. Natalie's experiences as an elite athlete and team leader, both in her sporting and professional life, enabled her to communicate the varied facets of leadership and ensured that this leadership group walked away with a suitcase full of skills and knowledge to apply to their roles.

Thanks to Principal of Korowa, Helen Carmody and Head of GSV Sport Rod Bromley and school staff, for their work in the organisation and hosting of the event.

Breakfast, Soccer '5-A-Side' Tournament, Track Cycling Skills Program, Triathlon Event, and Year 7 Expo

Girls Sport Victoria recognises that skill development is an inherent part of schools' Physical Education and Sport programs. The Year 7 Sports Expo coincides with Health and Physical Education Week and is one of the most fun filled events on the GSV calendar. Girls learn skills in a wide variety of sports from GSV core sports to others including Lacrosse and Wheelchair Sport. GSV also conducts other skills development clinics and events throughout the year in sports such as Diving, Fencing, Golf, Track Cycling, Triathlon as well as a Sport Leaders' Breakfast.

Carnivals

Cross Country, Diving & Swimming, Track & Field

GSV conducts Carnivals in Diving & Swimming, Cross Country and Track & Field. The Carnival seasons have been developed to encourage maximum participation throughout the Term. The program of events for each Carnival ensures as many students as possible get the chance to represent their school.

Students compete in a series of Training Meets leading into Preliminary and Championship Carnivals. The competition season culminates with Finals Evenings which showcase the most talented athletes across all schools.
