## From the GSV President

**Mission** To provide girls with access and opportunity to participate, connect and achieve in a range of sports.

### Guiding Principles

- The promotion of girls sport
- Enhanced opportunities for participation in elite, competitive and recreational sport and physical activity
- Accessibility to a diverse range of programs
- The fostering of individual talents, team spirit and commitment
- The pursuit of excellence
- A commitment to the highest standard of ethical behaviour
- A commitment to the promotion of health and well-being of all girls.

The GSV community, represented by students, staff, coaches and GSV staff, works hard to live these principles in all that we do. Once again this year we have seen so many of our girls involve themselves in the wide range of opportunities presented by GSV. Weekly sport, Skills Program, Carnivals, Tournaments, Year 7 Sports Expo and the Interstate Challenge have all enabled girls to participate at an appropriate level while providing both competitive and social experiences. New passions and talents have been discovered; confidence, team spirit and commitment highlighted; connections made; and personal and team goals achieved. Most importantly, we have seen our girls actively engaged in physical activity and enjoying the collegiality that exists across our schools.

This rich program of events would not be possible without the generosity of spirit and support given by our Directors of Sport, PE Teachers and coaches. We also acknowledge the leadership of the GSV staff and their commitment to providing a diverse range of opportunities for our girls. We recognise the continued support our girls and our schools receive from parents and family. Our sincere thanks to each of you for your part in ensuring the continued success of GSV.

I hope you enjoy this publication as a memento of the exciting moments and success stories we have shared in 2016. We look forward to another fulfilling year for our girls in 2017.

Ms Linda Douglas - President, Girls Sport Victoria

## 15 Year Celebration Function

The conclusion of the 2015 school year marked a special milestone for Girls Sport Victoria – 15 years of operation! To commemorate this achievement, it was decided to celebrate the work and dedication of the Coaches who have been involved in the GSV Sporting Program since its' inception in 2001. A total of 238 Coaches were eligible for the prestigious Service Awards (15 Years, 10 Years or 5 Years) which equates to GSV students having the benefit of over 1,945 years of coaching experience!

Guest speaker, Stephen Ellinghaus (Ruyton Girls' School Athletics & Cross Country Coach & 15 Years of Service recipient) aptly thanked the Coaches for "giving young women the skills to perform a sport" as well as a "sense of belonging which can have a profound effect on their self-esteem and their ability to tackle life's challenges".

A wonderful evening was had by all those in attendance. Special thanks to Firbank Grammar School Principal Heather Norton and Head of Sport Peter Russo and staff for hosting this unique event on behalf of GSV member schools.

## Sports Leaders Breakfast

On Thursday 11 February, approximately 120 Year 12 Student Sport Leaders from GSV member schools, gathered for a Leadership Workshop, hosted this year by Our Lady of Mercy College. Guest facilitator, Bianca Chatfield, former Australian Diamonds Vice Captain and Melbourne Vixens Captain, challenged the students to think about their own personal brand – who they are, who they want to be and where they are going as leaders in their schools. Communication and the building of positive relationships was integral to the message Bianca expressed through various group activities that required the students from each school to be brave and own their leadership positions.

Thanks to Principal of Our Lady of Mercy College, Julie Ryan and Head of Sport Brad Giles and school staff for their work in the organisation and hosting of the event.
