## From the GSV President

**Mission** To provide girls with access and opportunity to participate, connect and achieve in a range of sports.

### Guiding Principles

- The promotion of girls sport
- Enhanced opportunities for participation in elite, competitive and recreational sport and physical activity
- Accessibility to a diverse range of programs
- The fostering of individual talents, team spirit and commitment
- The pursuit of excellence
- A commitment to the highest standard of ethical behaviour
- A commitment to the promotion of health and well-being of all girls.

The GSV community is widely recognised for providing both a rich and diverse sporting competition and skills programs for girls. There is an opportunity for girls to grow, excel and enjoy sporting activity. Once again this year we have seen so many of our girls involve themselves in the wide range of opportunities including weekly sport, Skills Program, Carnivals, Tournaments, Year 7 Sports Expo and the Interstate Challenge. New passions and talents have been discovered; confidence, endeavour, grit, persistence and commitment highlighted; connections made; and personal and team goals achieved. Most importantly, we have seen our girls actively engaged in physical activity and enjoying the collegiality that exists within and across our schools. This strong sense of connection is central to the philosophy of GSV.

Our rich program of events would not be possible without the generosity of spirit and support given by our Directors of Sport, Teachers, sports coaches and specialist staff. We also acknowledge the outstanding leadership of the GSV staff and their commitment to providing a diverse and engaging range of opportunities for our girls. We recognise the continued support our girls and schools receive from parents and family. Our sincere thanks to each of you for your part in ensuring the continued success of GSV.

I hope you enjoy this publication as a memento of 2018. We look forward to another fulfilling year for our community in 2019.

Ms Linda Douglas - President, Girls Sport Victoria

## Sport Leaders' Breakfast

"Success in sport is never guaranteed, but the rewards that you will receive from partaking and having a go will be just as special, meaningful and memorable. They will shape who you will become"  
(Jenni Screen)

Thursday 15th February dawned sunny and bright at Methodist Ladies' College for the 16th annual GSV Sport Leaders' Breakfast. Student Sport Leaders from GSV member schools congregated in Betty Jackson Hall for an inspiring leadership workshop presented by Jenni Screen, Australian Basketballer, 2-time Olympic Medalist and Athlete Development Advisor. Jenni applied her story of hard work, challenges and ultimate success to the leadership journey that many of the young women in the room were undertaking as mentors to students in their own school setting. Each Student Leader walked away from the morning with a better sense of self and the important role that they were about to embark upon as #SistersInSweat.

# GSV Representative Sport

Cross Country, Netball, Soccer, Swimming, Tennis, Volleyball, Water Polo

Girls Sport Victoria provides opportunities for our most talented athletes to represent GSV and compete against other Victorian and Interstate school sporting associations. Representative opportunities currently exist for Year 9 -12 students in Cross Country, Netball, Soccer, Swimming, Tennis, Volleyball and Water Polo.

# GSV Events and Programs

Basketball Tournament, Fencing Skills Program, Golf Event, Sport Leaders' Breakfast, Soccer '5-A-Side' Tournament, Track Cycling Skills Program, Triathlon Event, and Year 7 Expo

Girls Sport Victoria recognises that skill development is an inherent part of schools' PE and sport programs. GSV develops programs to supplement these. Our Year 7 Sports Expo coincides with Health and Physical Education Week and is one of the most fun filled events on the GSV calendar. Girls learn skills in a wide variety of sports from GSV core sports to others including Lacrosse and Wheelchair Sport. GSV also conducts other skill development clinics and competitive events throughout the year in sports such as Fencing, Golf, Track Cycling, Triathlon as well as the Sport Leaders' Breakfast.

# Carnivals

Cross Country, Diving & Swimming, Track & Field

GSV conducts Carnivals in Diving & Swimming, Cross Country and Track & Field. The Carnival seasons have been developed to encourage maximum participation throughout the Term. The program of events for each Carnival ensures as many students as possible get the chance to represent their school.

Students compete in a series of Training Meets leading into Preliminary and Championship Carnivals. The competition season culminates with Finals Evenings which showcase the most talented athletes across all schools.

# Weekly Sport

Australian Rules, Badminton, Basketball, Cricket, Hockey, Indoor Cricket, Netball, Soccer,

Softball, Tennis, Volleyball and Water Polo

GSV coordinates competitive weekly sport for its member schools. Sport is played after school on Mondays (Seniors), Wednesdays, (Intermediates) and Thursdays (Juniors).

Competitive opportunities exist in more than 12 sports across the school year. Schools compete in zones and aim to win their zone to qualify for Finals, providing extra inspiration to perform at their best.
